1. Sexual Violence Policy

- (a) Ruhani Health Business and Technology Inc. is committed to providing its students with an educational environment free from sexual violence and treating its students who report incidents of sexual violence with dignity and respect.
- (b) Ruhani Health Business and Technology Inc. has adopted this Sexual Violence Policy, which defines sexual violence and outlines its training, reporting, investigative, and disciplinary responses to complaints of sexual violence made by its students that have occurred on its campus, or at one of its events and involve its students.
- (c) The person accused of engaging in sexual violence will be referred to as the “Respondent” and the person making the allegation as the “Complainant”.

2. Definition of Sexual Violence

Sexual violence means any sexual act or act targeting a person’s sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened or attempted against a person without the person’s consent, and includes sexual assault, sexual harassment, stalking, indecent exposure, voyeurism and sexual exploitation.

3. Training, Reporting and Responding to Sexual Violence

- (a) Ruhani Health Business and Technology Inc. will provide a copy of the Sexual Violence Policy to all students at the time of enrolment and to the career college management (corporate directors, controlling shareholders, owners, partners, other persons who manage or direct the career college’s affairs, and their agents), instructors, staff, other employees and contractors and train them about the policy and its processes of reporting, investigating and responding to complaints of sexual violence involving its students. *Any company participating in offering student internships on their premises must provide an undertaking in writing that it is in compliance with all applicable legislation, including the Ontario Human Rights Code and the Occupational Health and Safety Act and will provide students access to those policies should they encounter issues relating to sexual violence in the workplace.
- (b) The Sexual Violence Policy shall be published on its website (or where the Career College does not have a website in a conspicuous location on each of its campuses). Career college management, instructors, staff, other employees and contractors of Ruhani Health Business and Technology Inc. will report incidents of or complaints of sexual violence to the Administrator at Ruhani Health Business and Technology Inc. - (d) Subject to Section 4 below, to the extent it is possible, Ruhani Health Business and Technology Inc. will attempt to keep all personal information of persons involved in the investigation confidential except in those circumstances where it believes an individual is at imminent risk of self-harm, or of harming another, or there are reasonable grounds to believe that others on its campus or the broader community are at risk. This will be done by:
 - (i) ensuring that all complaints/reports and information gathered as a result of the complaint/reports will be only available to those who need to know for purposes of investigation, implementing safety measures and other circumstances that arise from any given case; and
 - (ii) ensuring that the documentation is kept in a separate file from that of the Complainant/Student or the Respondent.

- (e) Ruhani Health Business and Technology Inc. recognizes the right of the Complainant not to report an incident of or make a complaint about sexual violence or not request an investigation and not to participate in any investigation that may occur.
- (f) Notwithstanding (e) above, in certain circumstances, Ruhani Health Business and Technology Inc. may be required by law or its internal policies to initiate an internal investigation and/or inform police without the complainant's consent if it believes the safety of members of its campus or the broader community is at risk.
- (g) In all cases, including (e & f) above and (h) below, Ruhani Health Business and Technology Inc. will appropriately accommodate the needs of its students who are affected by sexual violence. Students seeking accommodation should contact the Administrator at 647-687-9135.
- (h) In this regard, Ruhani Health Business and Technology Inc. will assist students who have experienced sexual violence in obtaining counselling and medical care and provide them with information about sexual violence supports and services available in the community as set out in Appendix 1 attached hereto. Students are not required to file a formal complaint in order to access support and services.
- (i) Students are not required to report an incident of, or make a complaint about, sexual violence in order to obtain support and services.
- (j) If students, in good faith, report an incident of, or make a complaint about, sexual violence, they will not be subject to discipline or sanctions for violations of the career college's policies relating to drug or alcohol use at the time the alleged sexual violence occurred.
- (k) Students who disclose their experience of sexual violence through reporting an incident of, making a complaint about, or accessing supports and services for sexual violence, will not be asked irrelevant questions during the investigation process by the career college's staff or investigators, including irrelevant questions relating to the student's sexual expression or past sexual history.

 - (ii) determine who should conduct the investigation having regard to the seriousness of the allegation and the parties involved.
